Conduct Form for Youth Activities

Modesto Junior College Community Education

Includes Sports and Swimming

In an effort to guarantee an enjoyable and safe experience, conducive to learning and fun, participants in our classes, including sports and swimming, are asked to follow the code of conduct listed below. Proper student conduct is expected each time a student is on campus, from arrival until departure. It is important that the parent/guardian and student review and understand this code to ensure the safety and satisfaction of all participants. If this is a sports class/activity or swimming class, you will be asked to review and sign the Code of Conduct form at the same time the required Release of Liability form is signed and collected.

Modesto Junior College Community Education works hard to provide a successful, fun and informative class or program for your child. In exchange, we expect that all students, *regardless of age or ability*, to:

All Classes

- Treat fellow students with respect and understanding
- Keep hands to self
- Show respect to teachers
- No running in building
- No disruptive noises such as loud talking, screaming, or banging on desks
- If a child brings a cell phone, they are to have it turned off during class. No audible devices.
If your child brings a cell phone, or other personal items from home, and if it is lost, stolen or broken, Community Education is not responsible.
- No skate-shoes
- Do not use inappropriate language

Swim Classes

- In order for the swim coach/instructor to safely teach and control their classes, the children will need to be able to pay attention, follow instructions and stay with their class. It is not only disruptive, but also dangerous, to the rest of the students, if the instructor needs to ignore the class in order to get your child back with the group. If your child has a disability and may require additional assistance, please call our office at 575-6063 to discuss options.
- No running on the pool deck
- No splashing other children

In the event that there is a behavior/discipline problem, the following process will be applied:

- The instructor will issue a verbal warning and will inform the parent/guardian of the problem, either in person or by phone
- If the problem occurs again, the student will be dismissed from the program
- No refund will be processed in the event of dismissal

I have read the above Student Conduct Code and have reviewed and discussed it with my child. I understand that my child will be dismissed from the class/program if he/she is not able to comply, regardless of their age or ability, with the above rules. I further understand that there will be no refund if my student is dismissed from the program.
