### New Chapter for Donna Yarnal!

This week, Community Lifelong Learning and Workforce Development will celebrate with their Administrative Secretary, Donna Yarnal as she opens the next chapter of her story. Donna has been a dedicated go-to person for countless MJC Students, staff, faculty and administrators for 20 years. Providing excellent service to our college and community have always been important to her, she has volunteered for countless events and is always ready to pitch-in for any need or good cause. Donna is very approachable and outgoing. She has made many friends with her MJC/YCCD family over the years. She is extremely knowledgeable in most areas of the campus, and has had the opportunity to experience many departments while working at MJC ranging from Admissions, to the Instruction Office and Counseling, part of Student Services, just to name a few.

Donna will be missed by our team as she provides tremendous support behind the scenes for everyone. We are not saying “good bye”, we are saying “see you later!” When she is not out on RV Camping Trips with her husband, quilting or spending time with her recently adopted cat “Cinnamon” we expect to see her around campus from time to time. She enjoys the wide variety of offerings Community Lifelong Learning provides to our community which runs the gamut from Motorcycle Safety Training to Cooking and Jewelry making classes and especially day trips – Go Giants! Donna is forever an important member of our MJC family.

## Camps for Kids

MJC Community Lifelong Learning is pleased to be able to offer our popular Camps for Kids programs again this summer. Returning students will notice some changes, as we have added extra safety measures due to COVID-19. Classes are smaller and socially distanced, masks are required, students from different camps do not mix, and children attend 1 camp as full-day has been suspended this year. Parents are thrilled to have camps return, and kids will enjoy the summer learning fun in its modified form. See schedule below.
