Camp Information

What is MJC Camps for Kids?

MJC Camps for Kids at MJC Community Education provides a safe and fun activity for children ages 6 to 12 years of age. (Please, no 5 year olds). Our camps are designed to stimulate curiosity, reinforce basic skills, and help kids discover new subjects, but most of all, a place to have a fun summer! Camps are full days, starting at 9:00 a.m. and ending at 4:00 p.m

Camp Schedule

No matter which camp you sign your child up for, they will have a variety of activities each day. They will attend different classes in the morning and in the afternoon. Once they have eaten lunch there will be organized activities for them to participate in during their supervised lunch break.

Cost for Camp

The cost of each week-long camp (Monday-Friday), 9:00 a.m.-4:00 p.m., is \$199 per camp week. Each camp will have a material fee determined by activities and projects. Each camper will receive a camp t-shirt the first day of camp.

What should my child bring to camp?

Each child should bring a morning and afternoon snack, a brown-bag lunch (that does not need to be refrigerated) and water for your child – Please put your child's name on his/her lunch and anything else they bring.

Where will the camps be held?

Camps will be held on our MJC West Campus at 2201 Blue Gum Avenue. It will be held at Wawona Child Development Center - see map on page 57.

Food Allergies?

Please be sure to note any allergies on the Medical Consent Form AND let the camp coordinator know. Some camps will prepare and eat food - so this is important.

Does my child need to be signed in and out?

Yes, when your child arrives at the camp (please do not arrive any earlier than 8:45) your child will be checked in and directed by the counselors to their first class. The camp counselors will be there to help ensure they have a fun experience. When you pick up your child sign them out at their last class. You will check them out with their teacher.

Refund Policy

Please choose carefully – because this is such a large program, we will not be able to offer refunds, in fairness to children and their parents who have committed to our program and signed up on a first-come, first-served basis.

Policy on Behavior

All campers are expected to conduct themselves in a manner that demonstrates courtesy and respect for others and the facilities. Disruptive students will be dismissed from the program and the parents will be contacted to pick them up. Please print your Camper's Packet at www.mjc4life.org. The Student Conduct Form will be in your Campers Packet and will need to be signed by you and your child(ren) before they can begin camp. Please review this behavior policy with your child.

May I attend class with my child?

No, sorry. We ask that you do not go into the classroom while camp is in session so the instructor and students are not disrupted. Many of the camps have either projects to take home or presentations that will be given on the last day of camp, which you will be invited to attend. All of our instructors and counselors are fingerprinted in order to help assure the safety of your child. We do not allow unchecked adults in the classroom with the campers.

Camps will be held on the West Campus on Blue Gum Avenue. The camps will be held at the kid-friendly Wawona Center. .

SoulCollage®

SoulCollage

SoulCollage® is a simple, fun, creative and on-going process to get to know your "SELF", with new insight and rich understanding. What begins as a simple process of thoughtfully choosing random images from old photos, post cards or magazines, cutting and gluing them on a 5 x 8 card, slowly evolves into a lovely and sacred awakening of YOU! The instructor will explain the suites that make up your personal deck. In the final step, you will learn to use your own created "deck" of collaged cards to access your intuition or "higher self", as a resource of guidance for your own life's journey. This practice of working with one's own cards makes the experience of SoulCollage® even more enriching and powerful. SoulCollage® doesn't stop with the end of class, it is an on-going practice that will bring many hours of enjoyment and insight. This activity has been used by many people: therapists, teachers, patients experiencing illness, and parents spending quality time with their own children, to name a few. Whether you know someone who would enjoy a unique gift or you would like to experience this creative course for yourself, or with a group of your friends, this is the class to try this year. Being artistic is NOT REQUIRED. Taking the class with an attitude of exploration, curiosity and fun are the best tools.

NOTE: Bring up to three magazines from home, an acid free glue stick, and an exacto knife for fine cutting. Dress comfortably.

Motorcycle and Scooter Training

This CHP-approved training is designed primarily for beginning and inexperienced motorcyclists of all ages. It consists of 6 hours classroom and 10 hours on-cycle instruction of safe, responsible motorcycling.

Are you an experienced rider, but without a motorcycle license? The vehicle code in California allows for the impound of your motorcycle if you are caught riding without a M1 (motorcycle license) endorsement on your license. Law Enforcement officers don't always impound, but a high percentage do. Towing costs, storage cost and the cost of the ticket all add up to high fees.

CA AB1952 - This new law requires a person under 21 years of age to complete the Motorcycle Safety Foundation's Basic Rider Course before being issued a motorcycle instruction permit. The law requires the permit to be held for six months before a class M motorcycle driver license is issued.

1. When are the classes?

We hold 2 classes per week (A & B):

A Class - Thurs. - 6:00pm - 9:00pm
Sat. - 6:00am - 2:30pm
Sun. - 6:00am - 11:00am

B Class - Thurs. - 6:00pm - 9:00pm
Sat. - 8:00am - 4:30pm
Sun. - 11:30am - 4:30pm

You will attend a total of at least 16 hours of instruction, including both classroom and range time. Times may vary, check the schedule that is given to you.

2. How much does it cost?

21 years of age or over - \$250

Under 21 at registration - \$150
Under 21 costs less because the state requires anyone under 21 who wants to ride a motorcycle to take the safety course.

3. What happens after I complete the course?

Once you successfully complete the motorcycle class, our office will process the paperwork, and mail you a certificate within 2 weeks. You will take the certificate we mail you to the DMV and it will waive the driving portion of the DMV requirements.

4. What type of motorcycles?

We provide the motorcycles for the range portion of the class. They are Honda Nighthawks and Rebels - 250cc.

5. What if I have a Scooter?

If you have a scooter, please let us know when you register. There are special requirements for scooter training. For more information call our office at 575-6063.

6. What do I need to bring?

We provide the helmets if you need one - if you bring your own it needs to be DOT approved. On the days you ride you will need: Heavy jeans; Long sleeve shirt that covers the wrists; Eye protection (can be sun glasses, eye glasses or the visor for your helmet); Full-finger leather gloves; Heavy boots that cover the ankle (Canvas tennis shoes are not heavy enough - can use hiking boots, riding boots, work boots).

7. How do I sign up?

If you are 21 or over you can register Online at www.mjc4life.org. If you are 21 or over and register by phone, in person, mail or fax you will not be charged an additional \$3.

Can I stay in the class with my child?

No. Unless the class is specifically set up as a parent/child class, or parent participation is encouraged, we ask that you not stay in the class with your child. If your child is not able to stay by themselves in a classroom setting, please wait until they are older.

What do the fees pay for?

Community Education classes/trips do not receive tax support. Your enrollment fees pay all costs of the program.

Do I have to pay for parking?

MJC parking regulations are in effect from 7:00 a.m. on Monday until 5:00 p.m. on Friday. Student parking is permitted in designated areas on the East and West Campus. Persons who park on campus are required to pay a fee. A daily ticket may be purchased from any campus parking ticket dispenser, located in the parking lots, for \$1.00. Street parking is free.

What other fees will I pay?

In some cases an additional materials fee may be charged at time of registration. For many classes the material fees are payable to the instructor at the first day.

Why are offerings cancelled?

Community Education offerings do not receive funding from the state, so there is a minimum number of students who must be enrolled in order for an offering to be held. The decision whether or not to cancel is made 2-3 days before the start date and is based on the number of fully paid fees on that date. So please register early.

Supply Lists

Some of our offerings require a supply list. If you don't receive one, call our office at 575-6063 a few days before the start date.

Can I get a refund?

OFFERINGS

If you cancel at least seven days prior to the start date, you will be refunded your registration fee, less a \$20 processing fee. Any time after the seven days prior to class, or once an offering begins, we are unable to refund any portion of your fee. Trips: Different refund policies apply to trips and tours. See page 50 for our trip refund policy.

CANCELLED OFFERINGS

A full (100%) refund will be given for an offering or trip that the college cancels. Refunds take a few weeks to process. If you pay by credit card, your account will be credited; if you pay by check or cash, you will receive a check in the mail.

ON-LINE REGISTRATION

If you registered over the internet you MUST call our office to receive a refund. A refund will NOT be processed if you try to drop online.
